Step 14: Here's my Caddy with both Caddy Facings sewn in place & pressed away from my Caddy.

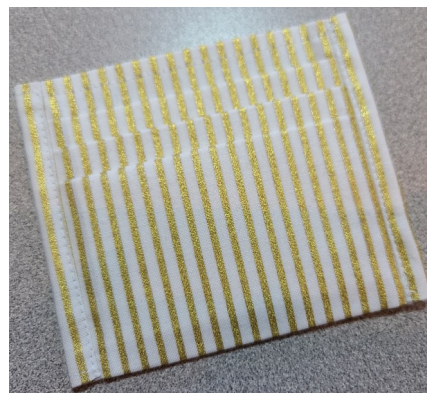

Step 15: Here's the Caddy Facings pressed under & AROUND the Caddy side seams.

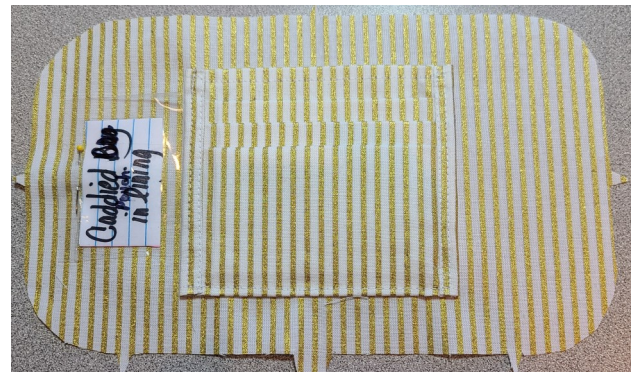

And here's a closeup of what step 15 looks like.

Step 15: And here's the WS of the Caddy looks like right now.

Step 15: Now it's all stitched in place and ready to sew in place on a Pouch in Lining

Step 16: Here's one last look... all labeled & sewn in place on a Pouch in lining for use in step 39.
Please Note- you make as many as 3 others just like this for use on each of your other 3 Pouches in lining.
