So if you opted to add D-rings to your Wallet so that you could eventually carry it as a shoulder or crossbody bag, then this is the way your Wallet exterior looks at the end of step 26.

27) Now press each Tab UP & over the bias-taped edge of your Wallet.

Stitch in place THRU Tab AND bias-taped layers using a zipperfoot, while securing your zippertape (underneath your sewing area) DOWN & out of your stitching path.

Reinforce stitching.

And here's how it looks from the perspective of your Wallet interior.
