

Baggalista- Preliminary step C1. Magnet Preparation

These sew-in snaps are fantabulous, but it's WAY easier than you think to get them mixed up, so do yourself a favor and label each pair. Here's the way they arrive in the package.... One matched pair in a pouch. :)

I'll separate this pair and label BOTH pieces with an 'R', letting me know that both of these pieces will be stitched into the right hand side of my bag.
