

The Cosmo Convertible

Steps 42-43- "Attaching Clip Holders"

42) Here you can I have the bag bottom area pressed with the seam in the middle AND on top of the side seam , which is aligned underneath it.

42 cont.) Flip bag over (with Bag side seam area facing UP). Fold over the un-fleeced tip area ~1/2"

42 cont.) Pin in place for now.

42 cont.) Lift up skinny Clip Holder end and place it on top of the triangular pinned area, snugging the folded edge right up next to the D-ring stitching.

42 cont.) Flip skinny Clip Holder end back down covering the folded-over area. Make sure it's centered side and bottom seam area.

42 cont.) Now you're ready to stitch. First, beginning in the middle of the skinny clip Holder edge, stitch UP toward D-ring, stopping as close as possible to the D-ring edge.

42 cont.) Next, stitch across the bulbous bottom Clip Holder edge. Be sure to catch the skinny Clip Holder ends (underneath) in this stitching. (see photo at right)
