Steps 23-24 -- page 2  
Attaching & Securing the  
Pocket to the Bag Front

24a) Push top corner edges of Pocket Wall inward, pinning them in place on Flap Lining.

Using a zipper foot, stitch as close as possible to Flap edge (which you can feel within the underlying layers of Liner).

24b) Begin stitching at top of Pocket Wall.  
Stitch straight down stopping even with single notch on side edge of Pocket Wall.
