

25a) Center a Wall Support (#9a) in foam along top WS edge of each bag Wall (#9) in Exterior from step D3.

## The Flaptastic Bag

Steps 25-26 -- page 1

### Attaching & Securing Bag Wall to the Bag Front

25b) Stitch in place along top & bottom edges of Wall Support.

26a) Pin loose bulky areas of Pocket out of the eventual stitching path (along outside Pocket edges).

Place Bag Wall in Exterior RST on Bag Front (from step 24) aligning side edges, single notches & top corners

26b) Stitch 1/4" from outside edges. Restitch for security. Clip corners but do not trim seam.
