

The Gangway - Mark & Place Magnetic Snaps- Steps D2- D6

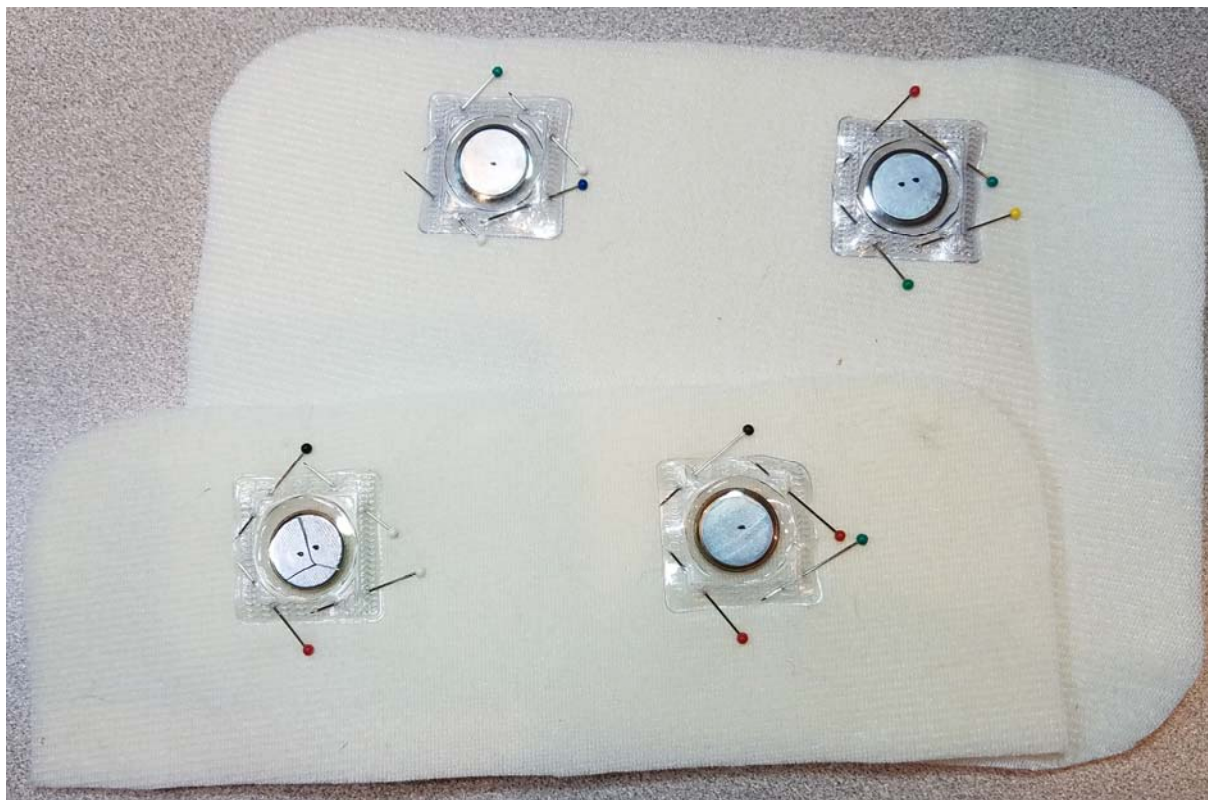

D2- Carefully cut out the area WITHIN the mag snap circle on EACH of the following pattern pieces:

Zip Pouch (#1)

Niche Top (#2)

D3- Cut out Zip Pouch (#1) & Niche Top(#2) in foam as directed then mark along the inside edges of the mag snap cutout area to transfer the magnetic snap placement to: the Niche Top(#2) in foam, & ONE Zip Pouch(#1) in foam.

D4- With both foam items marked-side UP on a flat surface, separate the pieces of magnet set #1 and place one piece (MSU) within the outlined area on LEFT SIDE of Zip Pouch, & on RIGHT SIDE of Niche Top. Secure placement with pins.

D5- **D6-** Stitch in place around all four plastic edges of all FOUR magnets. Reinforce stitching. Set Zip Pouch aside for step 22.

D6- Stitch in place around all four plastic edges of all FOUR magnets. Reinforce stitching. Set Zip Pouch aside for step 22. Set Niche Top aside for step XX.
