## Step A1: Oversized Pattern Pieces

The pattern pieces for #1(CC Slots), #8(Thin Top Panel) & #9(Thin Bottom Panel) were too LARGE to include as is on the standard-sized pattern templates, so... they are ALL presented in 2 pieces each—

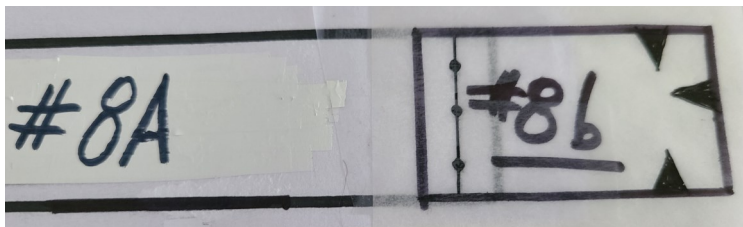

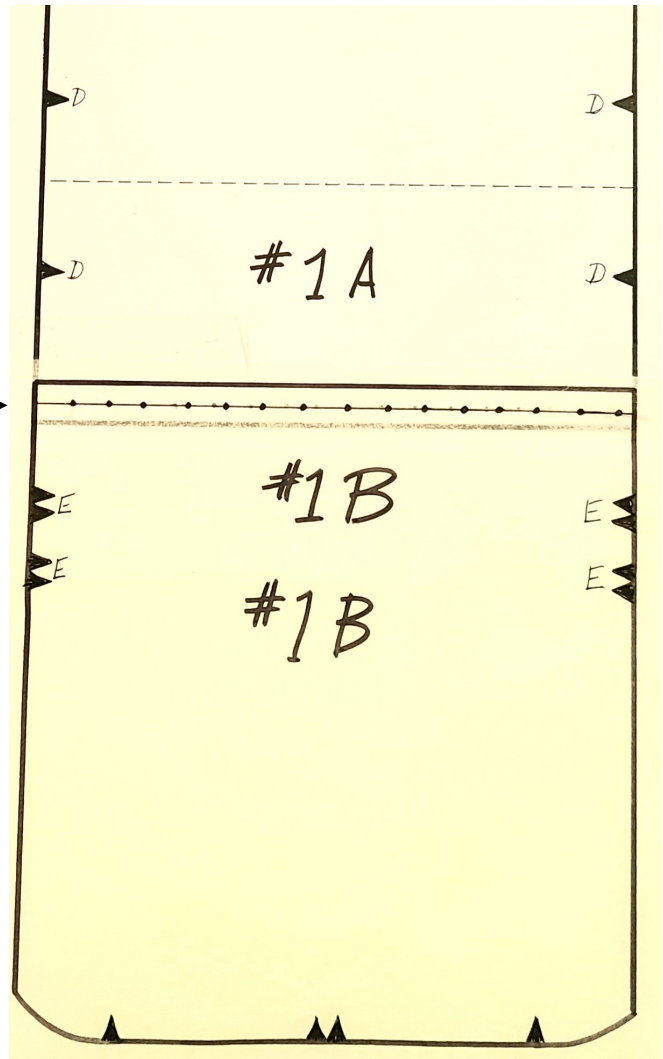

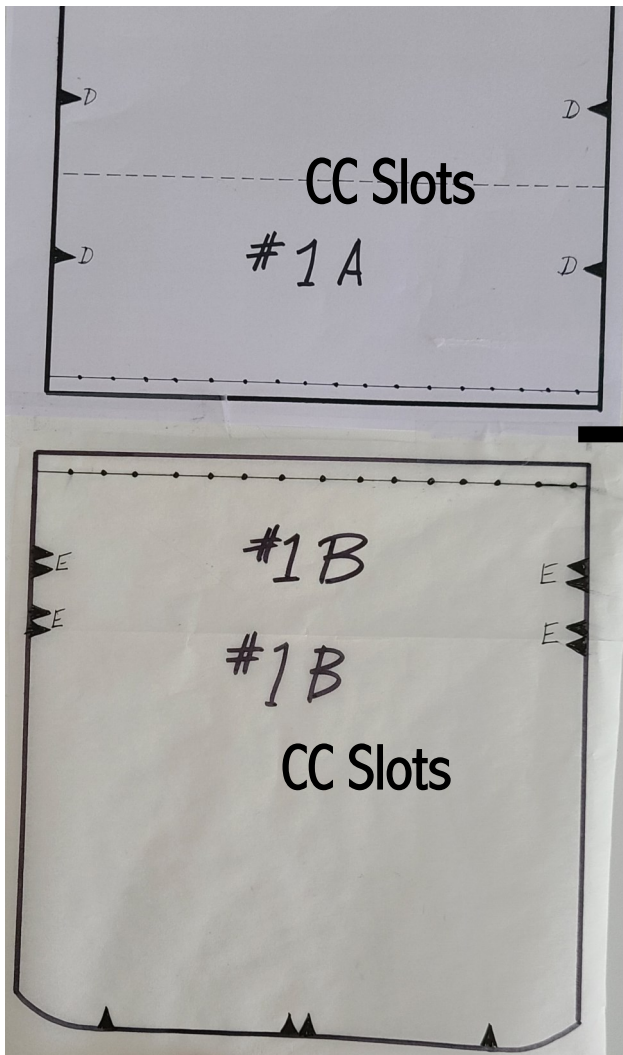

(#1a+1b),  
(#8a+8b),  
and (#9a+9b)

Attach them as follows;

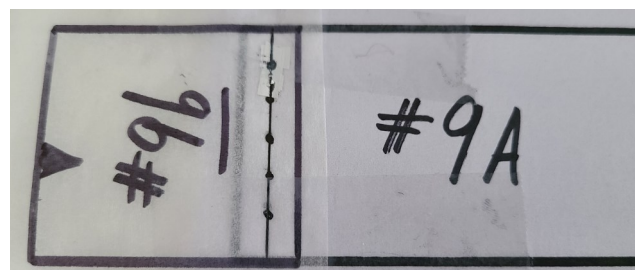

First- Center the dashed/dotted line of #1a over the dashed/dotted line on #1b.

Repeat this procedure for (8a+8b) & (9a+9b).

Next- Tape to secure all 3 in place, and voila! Your pattern pieces are ready to use!
