# the Cargo Strap
## Steps 34-37– Adding Pouches to Sash

No further explanation is necessary here– I just though it might be helpful to see the visual.
(**at left**) place the Mega Pouch at bottom of Sash curved edges then pin it in place.
(**then at right**) Stitch in the direction of the pin tips so that they can be removed as you approach them.
There is NO NEED to stitch above Floor edge.

## the Cargo Strap
## Steps 34-37– Adding Pouches to Sash (cont.)

Similar situation here.
(**at left**) place the Mini Pouch at or just below the rectangle ring stitching at top of Sash.
(**then below**) Stitch in the direction of the pin tips so that they can be removed as you approach them.
There is NO NEED to stitch above Floor edge.
