the Cargo Strap

Steps B1-B2: Connecting Oversized Pattern Pieces

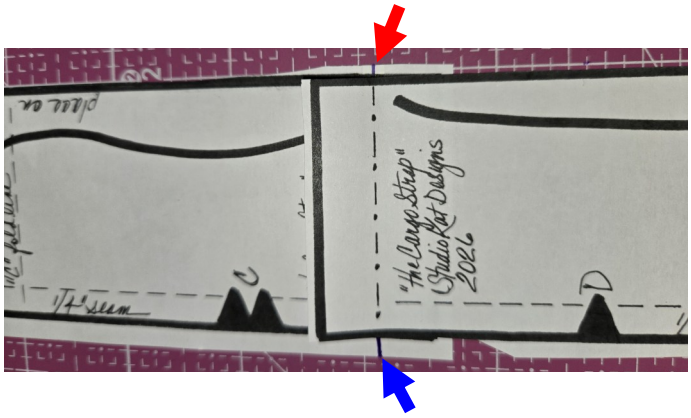

The full-sized pattern pieces for #1 (*above*) and #2 (*on page 2*) are too big to fit on an 11" X 17" sheet of paper. The instructions to connect these pieces are below (*for #1*) and on page 2 (*for #2*).

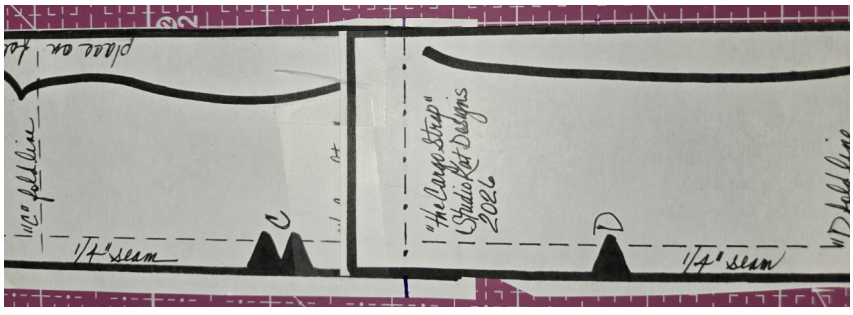

The first thing I do, is to extend the dotted/dashed line out & beyond the cutting line for the one of the two pieces, on BOTH sides of the pattern piece. (*see red arrow*)

Next cut away the white area that's beyond the cutting line for the 2nd pattern piece on BOTH sides of the pattern piece (*see blue arrow*)

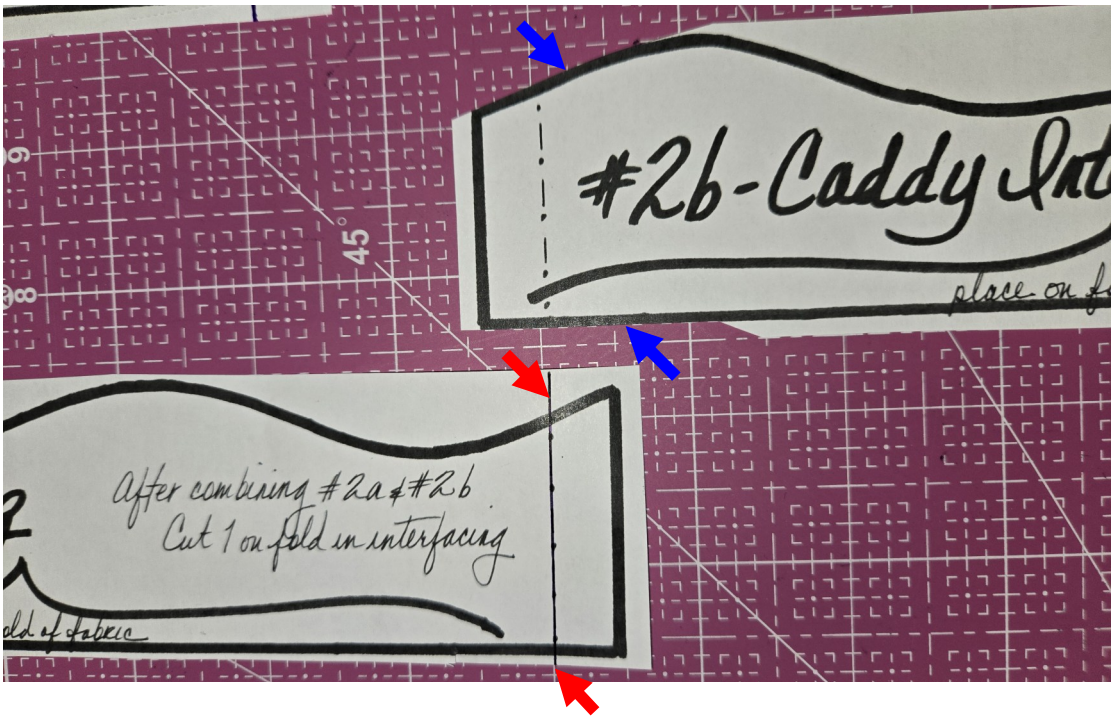

Now place the 2nd piece on top of the 1st pattern piece, aligning the dotted/dashed line with the line extension drawn in the previous step on BOTH sides of the pattern pieces.

Carefully tape the two pieces together while maintaining this arrangement and you're ready to GO!

Once again, I've extended the dotted/dashed line out & beyond the cutting line for the one of the two pieces, on BOTH sides of the pattern piece. (*see red arrow*)

Then I cut away the white area that's beyond the cutting line for the 2nd pattern piece on BOTH sides of the pattern piece (*see blue arrow*)

Next I placed the 2nd piece on top of the 1st pattern piece, aligning the dotted/dashed line with the line extension drawn in the previous step on BOTH sides of the pattern pieces.

And finally, I carefully taped the two pieces together while maintaining this arrangement!
